We accept 3 - 4 year old children in receipt of the 15/30 hour Government Grant for a minimum of three sessions on separate days throughout the week. These sessions can be a mixture of morning, afternoon and all day, or three full days. The frequency of the sessions throughout the week is crucial to how the child settles, learns, and forms friendships with the rest of the group. Before your child leaves us to start Primary School, it is recommended they attend all morning sessions, or be a full time pupil.

To calculate the charge for the morning session and the all day session which are longer than the 15 hour covered by the Government grant, deduct the grant from the fees. Please note the grant amount changes by a small amount each term.

Afternoon sessions (12 - 3pm) are subsidised by the Nursery (the "true cost" of the sessions are not reflected in the Government grant figure) to allow children to attend at no extra charge to the family for a maximum of five afternoon sessions.

Children under 3 years old should attend a minimum of three sessions throughout the week.
